Temptation is a recently founded, independent café bar in the heart of Brighton's North Laine. We focus on using the best local Sussex food wherever possible and our team of chefs create all our dishes on the premises.

We offer exclusive use of our space in the evenings for private dining events.

By choosing Temptation you get:

- a delicious meal with no fuss and great customer service
- exclusive use of the venue between 7pm and midnight
- a bespoke package – we can help you to design the menu, select the perfect combination of drinks and food, organise the entertainment and make the evening special
- a fully licensed venue – you can bring in entertainment of your choice and we have great offers on wine for your party
- involvement with a network of local businesses who produce food in Sussex

Whether you are having a wedding reception, a family celebration, a team night out, Christmas dinner or a private party, Temptation can help you put together an evening on indulgence and fun.

"We can not thank you enough for making our wedding evening a perfect night to remember. Everyone was so complimentary about the food, and we would like to extend a personal thank you to the chef's for putting on such a wonderful spread." Nic and Roo – wedding couple

Menu options

We like to make your evening as much about you as possible. We have two main options:

- **Finger feast** – a great option for a party of between 20 and 40. We offer a wide selection of freshly prepared, tasty treats that will provide your guests with a substantial supper and delicious desserts. Spend the evening relaxing and chatting, or dance the night away with your friends.
- **Sit down dinner** – we can put on a 3 course dinner for you and up to 20 of your friends. We have put together a selection of menus for you to choose from or you can request dishes that you really like. Let the wine flow as you sit back and relax with our professional and unobtrusive service followed by cocktails on the sofas.

Meet the team: we like to make the evening exactly as you want it. We like to invite our guests in to talk through their ideas, meet the chef to discuss their menu choices and have everything smoothly organised before you arrive.

Making a booking

We hope that you like the suggestions we have put together and are interested in booking an event at Temptation. Remember – this is your party – we enjoy working with our customers to make it different every time and welcome your input.

"Temptation was the perfect venue for a party. It was a lovely space to have to ourselves and the food was delicious - a buffet worked perfectly for our group of 25 and the desserts were a big hit. Service was excellent and we had a fantastic night." – Sarah
